You can now be heard crystal clear all over
the Helsinki Music Centre Concert Hall
– Your name will be included in the list of donors!

The organ was designed to replace an orchestra,
and the pipes imitate the sound of different instruments.
Your donation is:

- A small reed pipe (an organ stop imitating wind instruments)
- Flute (imitating the sound of the flute)
- Principal (the unique sound of the organ)
- Mixtur (the sound crown of the registers
with splendour and brilliance)
- Posaune (imitating wind instruments)
- Optional sum for organ music

The value of your donation is €
